Dear Parent/Carer,

Include Suffolk Primary School Ofsted Report

Please find enclosed our latest Ofsted Report from the inspection which took place in February.

The grading of Requires Improvement reflects Include Suffolk's current position on our journey of change. There is much that is good in the report: our knowledge of and relationship with the children, our safeguarding, our behaviour management and our team work. Children feel that we are a safe haven and enjoy coming to school. Any signs of bullying behaviour are quickly and effectively dealt with.

We do have further work to do on improving our curriculum offer and plans are already in place to address the points raised. I will share our action plan with you over the next half term.

I would like to thank you for your continued support and look forward to working with you on the next part of our journey.

If you have any questions or concerns please email me at daryl.bates@catch-22.org.uk

Yours sincerely

Daryl Bates
